Professional Experience

Full Stack Developer Intern , Alhansat Solutions Private Limited 📄	09/2023 – 10/2023
It was an awesome experience to work on full-stack development. In this, we work as a team on different modules the company assigns. I work on svelte programming language and also on tailwind CSS.	

Projects

Full Rent Calculator , Project build in internship 📄	09/2023 – 10/2023
I work on svelte programming language and also on tailwind CSS. It gives you the proper solution to spend your money on rent.	
Villa Booking Website 📄	06/2023 – 10/2023
It was an excellent experience in which I built a complete website with my group. It solves the problem of local villa owners who face problems giving their villas on rent.
